Problem Statement

The Boards of Fire Commissioners and City Councils of the participating agencies (BC South, Hailey, and Ketchum) recognize the need to consolidate their operations to enhance public safety, promote fiscal responsibility, and build community resilience in Blaine County. The Districts face shared challenges, including escalating costs, redundant administrative roles, and staffing shortages in small combination departments, necessitating a consolidation to leverage shared resources, eliminate redundancies, and foster collaboration.

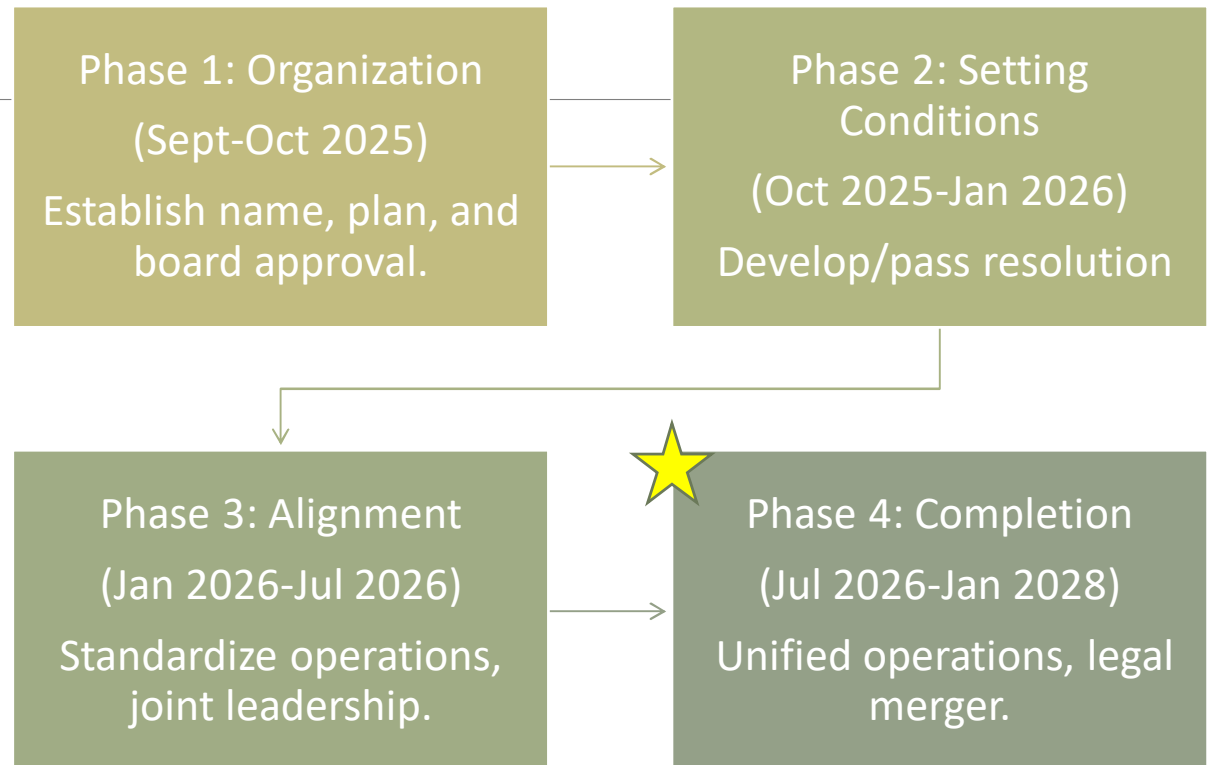

Context/Assumptions

- Effects
 - Communities involved will experience improved services and a balanced tax levy
- Impacts on Community, Governance, and Personnel
 - No loss in individual pay for personnel; improved efficiency and effectiveness for communities
 - Balanced tax levy and budget providing value to taxpayers; Oversight and transparency of governance
 - Stronger organization handling structure fires, EMS, wildland incidents, and technical rescues
 - Integrated BCAD for countywide EMS optimization

Desired Outcomes

- Unite BC South, Hailey, and Ketchum into Blaine County Fire & Rescue
- Leverage shared resources, eliminate redundancies, and foster collaboration
- Deliver enhanced fire suppression, EMS, and rescue operations across Blaine County
- Prioritize public safety, fiscal responsibility, and community resilience
- Respect the legacy of all joining districts while adapting to growing demands

Overview of the Four- Phase Process

Incorporates Idaho Code requirements (e.g., notifications, hearings, recordings).
